An experience of a lifetime awaits you aboard the luxury yacht Memé. Comfortable and elegant, this motor yacht and its crew are ready to take you on a charter of the Mediterranean. Whether you want to relax your mind and body in solitude or enjoy a watersports adventure with family and friends, every detail is taken care of to ensure you will enjoy a wonderful time aboard.

The rear swimming platform opens onto the waterline, allowing safe, easy access to enjoy the sea and a day of water sports.

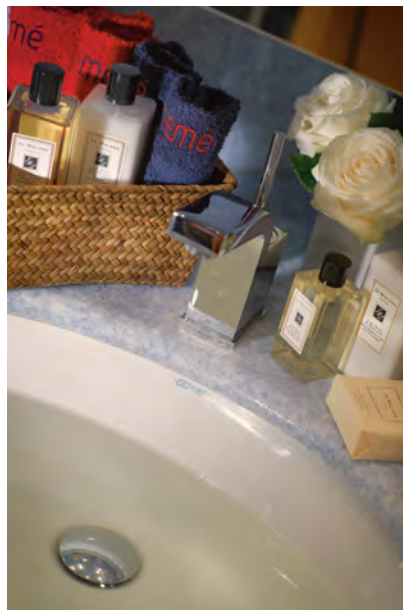

The open plan salon and dining area with its large panoramic windows, minimalist design and entertainment system make it cosy and inviting.

The dining area can comfortably seat seven, while Memé's attentive crew serve dinner.

Bask in the morning sunshine as you enjoy an al fresco breakfast with eight of your guests.

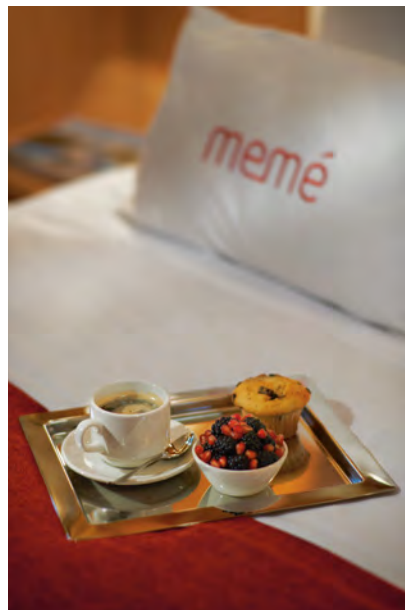

The large portholes fill the full beam master cabin with natural light, creating an intimate and relaxing environment.

The VIP cabin's well designed interior creates a unique atmosphere perfect for unwinding after a day in the sun.

Memé also has two twin cabins, one of which has a Pullman. All cabins have entertainment systems and en-suite bathrooms.

The spacious sundeck with its large seating area and BBQ is ideal for entertaining or just soaking up the sun.
