comfortable accommodation for up to 12 guests. The main deck interior, designed by Jean Pierre Fantini, is a masterful example of spaciousness, divided into two areas, the main salon and the dining room. The one-of-a-kind master stateroom is separated into three sections. A private entryway leads to the office, complete with desk, two sofas and a fanned stairway to the bedroom. The unique round bedroom is completely surrounded by windows that provide a 180-degree view of the outdoors and has bathroom with Jacuzzi tub and dressing room. The stateroom opens to a private deck with an outdoor Jacuzzi tub. The five guest cabins are situated in the aft section of the lower deck and benefit from proximity to a workout room. The forward section features six double occupancy cabins for the crew, crew mess and laundry room.

Service on board this superb vessel is ensured by a crew of 12 professionals. There are also two yacht tenders positioned on the aft deck to lower the centre of gravity and to keep the upper deck free and uncluttered.
